

MAYOR'S REPORT

June 12, 2019

➤ **New Fire Station Bond Levy**

Resolution Item #3 on Councils Agenda is the first Step in the process declaring the City's necessity to place a Bond Levy Issue on the November 5th 2019 General Election Ballot in the amount of \$2,000,000 for the purpose of constructing, furnishing, & equipping a new fire facility. The resolution also requests the Mahoning County Auditor to certify the total current tax valuation of the City and the estimated average annual property tax levy.

➤ **Year 2019 Resurfacing**

The City will receive the OPWC grant for this project July 1, 2019. The project will be bid and the work will likely be conducted later this summer.

➤ **Struthers Dam Removal Project**

The OEPA has approved the City of Akron as the City of Struthers' sponsor for the WRRSP funding. It is anticipated that the City of Struthers will receive notification from the OEPA that the WRRSP funds are available by July 1, 2019. At that time, the City of Struthers will enter into an agreement with the selected design/build team to begin the work. This project is expected to be completed by December 2020.

➤ **Thank you! "Committee for New Fire Station Struthers"**

I would like to thank the "Committee for New Fire Station Struthers" with whom I had the privilege of working with to organize the Golf Outing which was held on June 8th 2019 at the Bedford Trails Golf Course, to promote the New Fire Station Levy which will be put forth on the November 5th 2019 General Election Ballot. Special thanks to all the Participants, Hole Sponsors, Members of the Struthers Fire Department, and Volunteers who made the Golf Outing fundraiser a huge success.

Sincerely,

Mayor Terry Stocker
