PREAMBLE/PURPOSE

Section 1. Parties. This collective bargaining agreement is entered into by and between the City of Struthers, Ohio, hereinafter referred to as the "City" or the "Employer," and the American Federation of State, County, and Municipal Employees, Ohio Council 8, AFL-CIO, and Local 759, hereinafter referred to as the "Union" or the "AFSCME."

Section 2. Purpose. The purpose of this agreement is to comply with the requirements of Chapter 4117 of the Ohio Revised Code, and to set forth an understanding and agreements between the parties governing wages, hours, terms, and other conditions of employment for those employees included in the bargaining unit as defined herein. This article is not intended to provide bargaining unit employees any rights not specifically granted elsewhere in this agreement.

Section 3. The term "employee" or "employees," when used herein, refers to all employees in the bargaining unit.

ARTICLE 1 **RECOGNITION**

Section 1. Included. The Employer hereby recognizes the Union as the sole and exclusive bargaining agent with respect to wages, hours, and other terms and conditions of employment for all full-time employees of the City of Struthers occupying the following classifications:

Auditor/Storm Water Clerk
Chemist
Industrial Monitor
Lead Maintenance Worker
Lead Operator
Maintenance Worker
Plant Operator
Utility Assistance Maintenance Worker
Equipment Operator 1

Section 2. Excluded. Plant Manager, Assistant Plant Manager, and all management, confidential, supervisory, and other employees not included in the unit.

Section 3. New Classifications. Should new classifications be established within the City which are not subject to the exclusions outlined in Section 2 above, the Employer shall notify the Union, and upon the written request of either party, the parties shall meet to discuss and attempt to reach an agreement on the inclusion of such classifications within the bargaining unit. If the parties reach agreement, they shall jointly petition SERB to include the new classification in the bargaining unit. If the parties fail to reach an agreement within thirty (30) days of such written request, the Union may petition the State Employment Relations Board (SERB) for a unit clarification or amendment determination in accordance with Chapter 4117 ORC, and SERB rules and regulations. The determination of SERB shall be binding upon both parties.

ARTICLE 2
APPLICATION OF CIVIL SERVICE LAW

Section 1. Application of Civil Service Law. The parties agree that no section of the civil service laws contained in the Ohio Revised Code Sections 9.44, 124.01 through 124.56, nor any local ordinance of the City of Struthers or Rules and Regulations of the Civil Service Commission of the City of Struthers, pertaining to wages, hours, terms and other conditions of employment, shall apply to bargaining unit employees where such matter has been addressed by this agreement except if specifically indicated as so. Notwithstanding this, Sections 124.388 and 124.57 ORC shall continue to apply to bargaining unit employees.

Without limiting the foregoing paragraph, in accordance with the provisions of Ohio Revised Code section 4117.10 (A), this agreement covers the wages, hours, and terms and conditions of employment to the extent provided herein. It is therefore the intent of the parties that the terms and conditions of this agreement specifically preempt and/or prevail over the statutory rights of bargaining unit members.

ARTICLE 3
MANAGEMENT RIGHTS

Section 1. Nothing herein shall be construed to restrict any constitutional, statutory, or inherent exclusive rights of the Employer with respect to matters of general managerial policy. The Employer retains the right and the authority to administer the business of the department, and except for other functions and responsibilities which are specifically modified by this agreement, the Union shall recognize the Employer has and will retain the full right and responsibility to direct the operations of its departments, to promulgate and implement reasonable work rules and regulations, and to otherwise exercise the prerogatives of management, and more particularly, including but not limited to, the following:

- A. to manage and direct its employees, including the right to select, hire, promote, transfer, assign, evaluate, layoff, recall, reprimand, suspend, discharge, or discipline for cause, and to maintain discipline among employees;
- B. to manage and determine the location, type, and number of physical facilities, type of equipment, programs, and the work to be performed;
- C. to determine the department's goals, objectives, programs, and services, and to utilize personnel in a manner designed to effectively and efficiently meet these purposes;
- D. to determine the size and composition of the work force and each department's organizational structure, including the right to lay off employees from duty;
- E. to promulgate, implement, and enforce work rules, policies, and procedures;

- F. to determine the hours of work, work schedules, and to establish the necessary work rules for all employees;
- G. to determine when a job vacancy exists, the duties to be included in all job classifications, and the standards of quality and performance to be maintained;
- H. to determine the necessity to schedule overtime and the amount required thereof;
- I. to determine the department's budget and uses thereof; and,
- J. to maintain the security of records and other pertinent information.

ARTICLE 4 **NO STRIKE/NO LOCKOUT**

Section 1. The Union hereby affirms and agrees that it will not either directly or indirectly call, sanction, encourage, finance, or assist in any way, nor shall any employee instigate or participate, either directly or indirectly, in any strike, slowdown, walkout, work stoppage, or other concerted interference involving the withholding of services from the Employer.

Section 2. In addition, the Union shall cooperate at all times with the Employer in the continuation of its operations and services and shall actively discourage and attempt to prevent any violation of this article. If any violation of this article occurs, the Union shall immediately notify all employees that the strike, slowdown, work stoppage, or other concerted interference with or the withholding of services from the Employer is prohibited, not sanctioned by the Union, and order all employees to return to work immediately.

Section 3. The Employer agrees that it will not lockout employees.

ARTICLE 5 **DUES DEDUCTION**

Section 1. Membership. All employees electing to hold membership in the Union shall execute an authorization for dues deductions on a form provided by the Union.

Section 2. Dues Deduction. The Employer, pursuant to law, will deduct monthly dues, assessments, and initiation fees as designated by the Union twice per month. This is to include uniformly required membership dues and assessments of the Union. Deductions are to be made on the basis of individually signed authorization check-off cards unless otherwise provided by law. The City will deduct Union dues upon obtaining an employee signature on an authorization card specifically for this purpose, and the deductions shall be transmitted to the Union no later than ten (10) days following the end of the first pay period of each month. The Union shall defend and indemnify the City against any and all claims or demands against it arising out of these deductions. The Employer shall notify the Union in a timely manner of any claims, demands, or suits based on

the payment of dues pursuant to this contract, and the Employer agrees not to settle any such actions without the consent of the Union.

Section 3. Remitting Procedure. The Employer will forward the aggregate payroll deductions of such dues to the AFSCME Ohio Council 8, to an address as provided by the Union in writing, within one (1) month after the deductions are made. Each transmission of dues shall be accompanied by an alphabetical list indicating (1) the name, address, and social security number (last four [4] digits) of the employees, and the deduction amount, and (2) the name of each employee whose name has been dropped from the prior list and the reason(s) for the omission(s) (i.e., unpaid leave, promotion, etc.). The Union agrees to provide the Employer at least thirty (30) days notice of any change in the amount of dues to be deducted or address that the deductions for dues are to be remitted.

In the alternative to the above procedure, the Employer may elect to forward to the AFSCME Ohio Council 8, Controller, Worthington, Ohio, a warrant in the aggregate amount of the deduction with a listing of the employees from whom dues were deducted no later than one (1) month following the date of the deduction. The option of electronic transfer of dues to AFSCME Ohio Council 8 is at the Employer's discretion.

Section 4. It is specifically agreed that the Employer assumes no obligation, financial or otherwise, except as herein provided, and the Union hereby agrees that it will indemnify and hold the Employer harmless from any claims, actions, or proceedings by any employee arising from deductions made by the Employer pursuant to this article. Once the funds are remitted to the Union, their disposition thereafter shall be the sole and exclusive obligation and responsibility of the Union. The Employer shall not be obligated to make dues deductions from any employee who, during any pay period involved, shall have failed to receive sufficient wages to equal the dues deductions.

Section 5. Union Membership Revocation/Maintenance of Membership. Employees who are members of the union may revoke their union membership at any time by sending written notice to the Union of their desire to drop their union membership. Revocation of union membership does not revoke union due authorization, which may only be revoked as set forth below.

Section 6. Union Dues Revocation. Any employee who has submitted a dues checkoff authorization card may withdraw or revoke the same at the time and in the manner specified on the dues checkoff authorization card signed by the employee which shall provide a window period of no less than fifteen (15) days at least annually for the withdrawal. Copies of employees' dues checkoff authorization cards are available from the Union upon request.

ARTICLE 6 **NON-DISCRIMINATION**

Section 1. Federal/State Discrimination Allegations. The parties recognize and acknowledge that any allegation of discrimination based on a legally protected classification under Federal or State Law is processed through external administrative agencies (i.e., EEOC/OCRC).

Section 2. Union Membership/Affiliation. The Union and the Employer agree that membership in the Union is at the option of the employee, and that they will not discriminate against any employee for Union membership or non-membership, nor shall they discriminate against any employee for participating in lawful Union activity or from refraining from such.

Section 3. Gender Neutral. By the use of either the masculine or feminine genders, it is understood that the use is for convenience purposes only and is not to be interpreted to be discriminatory by reason of sex.

Section 4. External Actions. In the interest of attempting to resolve outstanding issues that may arise under this Article or would be otherwise appealed to an external administrative agency (i.e., SERB, EEOC, or OCRC), the Employer, employee, and their representatives shall attempt to meet in an effort to resolve any concerns prior to an appeal to any outside agency is filed.

ARTICLE 7 **BULLETIN BOARDS**

Section 1. The Employer shall provide space for a bulletin board for the exclusive use of members of the bargaining unit in the Wastewater Treatment Plant.

Section 2. All notices which appear on the Union's bulletin board shall be posted by a Union official in the bargaining unit during non-working time and shall relate to items of interest to the members, including but not limited to:

- A. Union recreational and social affairs;
- B. notice of Union meetings;
- C. Union appointments;
- D. notice of Union elections;
- E. results of Union elections;
- F. reports of standing committees and independent arms of the Union; and
- G. legislative reports.

It is also understood that no material may be posted on the Union bulletin board at any time which contains the following:

- A. personal attacks upon any other member or any other employee;
- B. scandalous or derogatory attacks upon the administration;

- C. attacks on and/or favorable comments regarding a candidate for public office.

ARTICLE 8

UNION REPRESENTATION

Section 1. There shall be no Union activity on City time except as provided for in this agreement.

Section 2. Steward. The employee selected by the Union to act as Union representative for the purposes of processing grievances under the Grievance Procedure shall be known as the "Steward." The City shall recognize one (1) Steward, who shall have an alternate who shall act as Steward only when the regular Steward is absent from work.

Section 3. Activity. The Steward and/or Union officers (Chapter Chair or President) will be provided reasonable time off, without loss of pay, to conduct activities related to Union representation during regular work hours (i.e., preliminary meetings prior to an informal/formal step in the grievance procedure, grievance processing, labor management meetings).

Section 4. Union Orientation / New Hires. Every newly hired bargaining unit employee will have an opportunity to meet with the Union President or designee at the beginning of starting employment with the City of Struthers, not to exceed one (1) hour and at a time scheduled at the City's discretion (i.e., in the last hour of the new employee's shift, or another time during the shift as directed by the management).

Section 5. Before taking time off for grievance investigation or to write grievances, the Steward or Union officer shall obtain the approval of the supervisor, not to be unreasonably denied, and under no circumstances shall such time interfere with the efficient operations of the City.

Section 6. The Union agrees to provide the Employer by letter the names of the local officers and steward(s) along with their addresses, phone numbers, and positions held.

ARTICLE 9

GRIEVANCE PROCEDURE

Section 1. Definition. A grievance is a dispute or difference between the Employer and the Union, or between the Employer and an employee or group of employees, regarding the interpretation and/or application of and/or compliance with any provision of this contract.

Section 2. Any member of the bargaining unit may file a grievance. Where a group of bargaining unit members desires to file a grievance involving a situation affecting more than one member of the bargaining unit in a similar manner, one member selected by such a group shall process the grievance. Such grievance shall be defined as a group or class action grievance. The names of each member along with their respective signatures on behalf of which the grievance is filed shall be affixed to the grievance form. Group grievances shall be presented in the first instance to the supervisor common to all employees in the group.

Section 3. All grievances must be processed and answered at the proper step in the grievance progression to be considered at the next step. Any grievance that is not timely appealed to the next step of the procedure will be deemed to have been settled on the basis of the Employer's answer at the last completed step.

Time limits set forth herein may only be extended by mutual agreement of the parties, and are to be strictly enforced. An arbitrator is without authority to render any decision involving a grievance that does not conform to the parties' negotiated time limits.

The aggrieved and/or the Union may withdraw a grievance at any point by submitting, in writing, a statement to that effect, or by permitting the time requirements at any step to lapse without further appeal. Any grievance not answered by the Employer or his designee within the stipulated time limits provided herein shall be deemed to have been answered in the negative and may be advanced to the next step of the procedure within the time limits provided below.

The Union shall have the right, at or before Step 2 of the Grievance Procedure, to modify a pending grievance in order to clarify pertinent procedural matters (e.g., section allegedly violated, scope of relief requested, etc.), provided, however, that the basic issue raised by the grievance may not be changed.

Section 4. Grievance Contents. All grievances shall be filed in writing on a form provided by the Union and must contain, but not be limited to, the following information:

1. Date grievance occurred.
2. Description of incident giving rise to the grievance.
3. Articles and sections of the agreement involved.
4. Relief requested.
5. Signature of the employee.

Section 5. Disciplinary grievances involving suspension, reduction in pay or position, or discharge are to be appealed directly to Step 2 of the grievance procedure as specified in this article. All other grievances related to disciplinary action are to be filed at Step 1.

Section 6. Nothing in this article shall be interpreted as discouraging or prohibiting informal discussions of a dispute by the employee and the Employer prior to the filing or starting of a grievance. The following steps are to be followed in the processing of a grievance.

Step 1. Within seven (7) calendar days of the incident giving rise to the grievance, the aggrieved employee shall submit his written grievance to the Plant Manager, who shall indicate the date and time of receipt of the grievance and affix his signature to the grievance form. The grievant, the Steward, and the Plant Manager shall meet to attempt to adjust the grievance. The Plant Manager shall respond in writing to the grievant within seven (7) calendar days of the Step 1 meeting.

Step 2. A grievance unresolved at Step 1 may be submitted by the Union to the Mayor or her designee within seven (7) calendar days of receipt of the Step 1 answer. The Mayor or her designee

will meet with the grievant, the Union President or Chapter Chair, and a representative of AFSCME Ohio Council 8 within fourteen (14) calendar days of submission of the grievance to Step 2 to discuss the grievance. The Mayor or her designee shall provide a written response to the Union within fourteen (14) calendar days of such meeting.

Grievances unresolved at Step 2 may be submitted to arbitration upon request of the Union in accordance with the provisions of this article.

All pre-arbitration grievance settlements reached by the Union and the Employer shall be final, conclusive, and binding on the Employer, the Union, and the employee(s) unless otherwise agreed. It is understood and agreed that a bargaining unit employee may process a grievance up to and including Step 2 without the involvement of the Union, provided the appropriate Union representative shall be present at the adjustment/resolution meeting.

Step 3 (Optional). Grievance Mediation. If a grievance is not satisfactorily resolved after Step Two of the Grievance procedure, or default rejection as applicable, the parties may by mutual written agreement, within fourteen (14) calendar days of the receipt of the answer in Step Two, submit the grievance to mediation with the Federal Mediation and Conciliation Service (FMCS). Either party may reject this step. Grievances proceeding to mediation will include all of the issues set forth in the grievance. Mediation will take place within thirty (30) calendar days from the filing of the request for mediation. If the mediation is not successful and the grievance is not settled, or mediation is not initiated, the Union may proceed to the next step. If the grievance is not resolved through the mediation process, the Union may within thirty (30) calendar days of the close of mediation or within thirty (30) calendar days of the date the parties declined to initiate mediation, notify the Employer in writing of its intent to submit the grievance to arbitration.

Section 7. Arbitration. The Union, based on the facts presented, has the right to decide whether to arbitrate a grievance. Within thirty (30) calendar days from the date of the final answer on a grievance from Step 2, the Union shall notify the Employer, in writing, of its intent to seek arbitration of an unresolved grievance.

Section 8. Selection of the Arbitrator. Grievances not settled in the foregoing steps of the grievance procedure shall be submitted upon request to arbitration under the Federal Mediation and Conciliation Service (FMCS). Upon the conveyance of the demand for arbitration, the parties shall request a panel of fourteen (14) names of Ohio resident, national academy certified arbitrators from FMCS. Once FMCS submits the panel of arbitrators to the parties, each party shall have fourteen (14) calendar days from the mailing date in which to strike any name to which it objects, number the remaining names to indicate the order of preference, and return the list to the FMCS. Each party may reject up to one (1) list and request another list.

At any time prior to the arbitration hearing, the parties may mutually agree to mediate the grievance using the Federal Mediation and Conciliation Service (FMCS).

In the event FMCS ceases to exist or to provide panels, the parties shall mutually request a list from AAA and select an arbitrator using AAA rules and regulations.

Section 9. Hearing and Decision. The arbitrator shall conduct a hearing on the grievance within the time allotted by FMCS. The principals of the grievance will be afforded at hearing an opportunity to present their respective cases. Upon the close of the hearing, the arbitrator shall render a decision that will be final and binding on the parties.

The arbitrator shall limit his decisions strictly to the interpretation, application, or enforcement of the specific articles and sections of this Agreement, and shall be without power or authority to make any decision:

1. contrary to or inconsistent with or modifying or varying in any way the terms of this Agreement or applicable laws;
2. contrary to, inconsistent with, changing, altering, limiting, or modifying any practice, policy, rules, or regulations established by the Employer so long as such practice, policy, or regulations do not conflict with this Agreement.

The arbitrator shall be without authority to recommend any right or relief on an alleged grievance occurring at any time other than the contract period in which such right originated or to make any award based on rights arising under any previous agreement, grievance, or practices. The arbitrator shall not establish any new or different wage rates not negotiated as part of this Agreement. In the event of a monetary award, the arbitrator shall limit any retroactive settlement to the date the grievance was presented to the Employer in Step 1 of the grievance procedure.

Section 10. Arbitrability. The question of substantive arbitrability may be raised by either party before the arbitration hearing on the grounds that the matter is non-arbitrable or beyond the arbitrator's jurisdiction. The first question to be placed before the arbitrator will be whether or not the grievance is arbitrable. If the arbitrator determines the grievance is within the purview of arbitrability, the grievance will be heard on its merits before the same arbitrator at the same hearing.

Section 11. Arbitration Expenses. The expenses and charges of obtaining the list shall be borne by the party requesting it. The expenses of the arbitration hearing/arbitrator's fees shall be paid by the losing party. However, in the event of a split decision as determined by the arbitrator, the expenses shall be determined by the arbitrator. The expense and compensation of any court reporter or transcript shall be borne by the party requesting them, or split equally if both parties make the request. Witness expenses shall be borne by the party calling the witness. No employee required to attend an arbitration will suffer any loss of pay during regular working hours.

ARTICLE 10 **DISCIPLINE**

Section 1. The tenure of every employee subject to the terms of this agreement shall be during good behavior and efficient service. No employee shall be demoted, suspended (including working suspensions), discharged, or removed except for grounds stated in Section 2 of this article.

The Employer may take disciplinary action against any employee in the bargaining unit only for just cause. Discipline shall be imposed within a reasonable period of time from the dates on which the infraction(s) occurred. Reasonableness shall take into account whether or not the Employer knew of such infraction(s), the length and type of investigation, and/or the workload/schedule of the persons investigating the infraction(s). Forms of disciplinary action are:

1. Letter of instruction and cautioning.
2. Written reprimand.
3. Suspension without pay. By mutual agreement, accrued vacation or holiday time may be forfeited equal to the length of the suspension. Record of suspension will be maintained.
4. Suspension of record (i.e., paper suspension).
5. Demotion.
6. Discharge.

An employee who is given a working suspension (i.e., suspension of record) shall be required to report to work to serve the suspension and shall be compensated at the regular rate of pay for hours worked. The working suspension shall be recorded in the employee's personnel file in the same manner as other disciplinary actions having the same effect as a suspension without pay for the purpose of recording disciplinary action.

In the case of a suspension without pay, the employee will be advised of the duration of the suspension. Holidays occurring during a period of suspension shall be counted as work days for the purposes of suspension only.

Section 2. Incompetency, inefficiency, dishonesty, drunkenness, immoral conduct, insubordination, discourteous treatment of the public, neglect of duty, unsatisfactory work performance, absence without leave, violation of work rules, or any conduct unbecoming a representative of the Employer, or any other acts of misfeasance, malfeasance, or nonfeasance, shall be cause for disciplinary action.

Section 3. Except in instances where an employee is charged with a serious offense, discipline will normally be applied in a corrective, progressive, and uniform manner. Progressive discipline shall take into account the nature of the violation, the employee's record of discipline, and the employee's record of conduct.

Section 4. Whenever the Employer determines that an employee may be suspended, demoted, or terminated, a predisciplinary meeting will be scheduled to investigate the matter. The Employer shall notify the employee and the Union President or Chapter Chair in writing within twenty-four (24) hours prior to the predisciplinary meeting of the charges against the employee, the underlying

factual basis for the charges (including date and time if known), and what form of discipline may be imposed. This notification shall also include the time and place of a predisciplinary meeting, to be held within twenty-four (24) hours, between management and the employee.

The employee may be accompanied by a Union steward during the predisciplinary meeting. Should the employee not wish to be represented by the Union, a Union Representative shall be allowed in the disciplinary meeting as an observer only. The employee shall have an opportunity in this meeting to respond orally to the charges prior to discipline being imposed. Any resolution to the disciplinary action by the employee and the Employer shall be consistent with the terms and provisions of this agreement. An employee who is disciplined may file a grievance in accordance with the grievance procedure herein.

Section 5. Appealable disciplinary actions must be filed at the appropriate level of the grievance procedure within (7) calendar days from receipt of the notice of discipline by the employee.

Section 6. Any employee under indictment or arrested for a felony may be placed on an administrative leave of absence without pay for a maximum of sixty (60) calendar days. An employee found guilty by trial court may be summarily discharged, and any accrued unused leave will be forfeited, to the extent necessary, to offset the time spent on administrative leave. Where the charges are reduced to a misdemeanor or the employee is found innocent of the charges, the employee may be subject to discipline pursuant to the terms of this article.

Section 7. Records of disciplinary action shall cease to have force and effect or be considered in future discipline matters, provided that there has been no other intervening discipline, according to the following schedule:

Letters of Instruction and Cautioning and Written Reprimands	twelve (12) months
Suspensions and Demotions	twenty-four (24) months

Notwithstanding this, in termination cases, the entirety of an employee's disciplinary record representing suspension level conduct or greater shall be considered and the disciplinary record retention schedule shall not be applicable otherwise.

Section 8. Last Chance Agreements. The parties explicitly acknowledge the use and validity of last chance agreements. Such agreements, when entered into by the Employer and the Union, shall not require the ratification of the bargaining unit as a whole, nor the legislative body for the City, in order to be enforceable. Last Chance agreements are agreed to be of joint construction in all instances and whenever possible shall be interpreted with the intent of providing an employee a final opportunity to salvage his employment, with the next disciplinary step being termination of employment. Last chance agreements are a specific modification of the 7th Test of Just Cause so that any employee subject to a last chance agreement, who is found to have engaged in any charged misconduct under the terms of the applicable last chance agreement, shall be subject to termination.

ARTICLE 11

PROBATIONARY PERIOD

Section 1. New Hires. New employees shall be considered to be on probation for a period of one (1) year. During such period, the Employer shall have the sole discretion to discipline, terminate, or discharge such employee(s), and any such action shall not be appealable through any grievance or appeal procedure contained herein or to any Civil Service Commission.

Section 2. Promotional Probationary Period. Current employees who accept a new position at an equal or higher rate of pay within the bargaining unit shall be considered to be on probation for a period of sixty (60) calendar days. During such period, the Employer shall have the sole discretion to remove such employee(s) and place him into his previously held position, and any such action shall not be appealable through any grievance or appeal procedure contained herein or to any Civil Service Commission. Further, an individual may voluntarily return to his previous position at any time during the fifteen (15) calendar day period following the first work day in the new position.

ARTICLE 12

SENIORITY

Section 1. Total Seniority. Total seniority shall be computed by length of accumulated, uninterrupted, full-time service with the Employer.

Section 2. Bargaining Unit Seniority. Bargaining unit seniority shall be computed by the length of accumulated, uninterrupted, full-time service within the bargaining unit.

Section 3. Break in Seniority. Seniority is interrupted through voluntary resignation, discharge for just cause, retirement, layoff in excess of twenty-four (24) months, and failure to report to work without prior notice to the Employer for a minimum of three (3) consecutive workdays unless the employee is unable to call due to a medical emergency or a natural disaster.

Section 4. Seniority List. The Employer shall provide the Union with a current seniority list annually. The seniority list shall contain, in order of date of hire, the name, classification, and department of each employee.

ARTICLE 13

REDUCTION IN FORCE & RECALL

Section 1. It is the intent of the parties, through this article, to establish an objective procedure by which a reduction in force may be accomplished, should the need arise, and supersede the provisions of ORC 124.321 to 124.328, OAC 123: 1-41-01 to 123: 1-41-22, and all local rules and regulations of the City of Struthers Municipal Civil Service Commission governing work force reductions.

Section 2. Notice. Whenever the Employer determines that a lack of work or a lack of funds exists, or reorganization in the operations of the Employer is necessary, a reduction in force (i.e., layoff or job abolishment) shall occur. The Employer shall notify the affected employee(s) in writing at least fourteen (14) calendar days prior to the date of the reduction.

Section 3. Procedure. When the Employer determines that a reduction in force is to be made within the bargaining unit, the member with the least amount of bargaining unit seniority within the job classification selected by the Employer shall be reduced first. An employee who is reduced may utilize his total seniority to displace an employee with the least total seniority in another bargaining unit job classification.

In order to displace another employee, the bargaining unit member must satisfy all of the minimum qualifications for the position and be able to perform all of the essential functions of the position

without a loss in efficiency or productivity. The Employer may decide that the employee is not capable of meeting the standards for performance for the position into which he bumped, recall the displaced employee back to the position, and reduce the other employee.

Seniority, for the purposes of reduction and recall, is calculated in accordance with Article 13, Seniority, of this agreement.

Section 4. Recall. A bargaining unit member laid off under this article shall remain on the layoff list for twenty-four (24) months. When the Employer determines that it wishes to recall laid off members of the bargaining unit, the Employer shall recall from the layoff list in reverse order in which the members were laid off.

Employees shall be given ten (10) calendar days advance notice of recall and such notice shall be sent to the employee's last address on record. It shall be the responsibility of the employee(s) to keep the Employer advised of his current address and maintain any required licensure or certification required for his position. Employees who refuse recall to the position from which they are laid off shall lose all seniority and recall rights. Employees who refuse or accept recall to a position other than that from which they were laid off shall retain seniority and recall rights to the position from which they were laid off, but only from the date of their original layoff.

Section 5. Section 1. The Employer may establish and implement a rate of pay for the new classification. If the new rate of pay is established within eighteen (18) months of the expiration of the collective bargaining agreement, the rate of pay is final and binding upon the parties and will be addressed in the next set of contract negotiations. If the new rate of pay is established more than eighteen (18) months from the expiration of the collective bargaining agreement, the Union may file a grievance at Step 2 of the Grievance Procedure. If the grievance is arbitrated, the arbitrator shall have the authority to establish the rate of pay for the job, and the provisions in Article 9, Section 9, Grievance Procedure, stating the contrary are hereby waived.

LETTER OF UNDERSTANDING #2

The parties agree that the Auditor/Storm Water Clerk shall continue the current schedule of working hours and breaks, including lunch.

LETTER OF UNDERSTANDING #3
HEALTH INSURANCE COMMITTEE TRANSITION

The parties acknowledge that the Union has indicated a desire to discontinue participation in the City insurance committee. In doing so, the Union has requested that the City assume 80% of premium costs for plan offerings, and in exchange it agrees that the City shall otherwise have complete discretion in determining plan offerings, benefit levels of plans, etc. The parties agree that until such time as the insurance committee language is eliminated from other contracts which reference AFSCME participation, representatives from the Union will through proxy or designation support the City's position on plan offerings through the Committee structure and abstain from voting in a manner that is inconsistent with the position of the City on Committee sponsored plans.

MEMORANDUM OF UNDERSTANDING
EMERGENCY SERVICES CALL OUTS/DISCIPLINE

Section 1. The parties recognize that one of the core functions of unit members is to perform emergency services generally including work that is necessary to restore or maintain city services, operations and systems (examples are flood control, infrastructure failure, or response to natural disaster).

Employees designated to respond to perform emergency public service operations are expected to be available for emergency services and shall provide valid and up-to-date phone numbers (including cell phones) for emergency contact. Employees are further expected to leave their phones on and respond to calls when it is reasonably expected that the need for emergency services may be imminent. Failure to both provide valid contact information or respond or be available for an acceptable level of emergency call-outs will be grounds for progressive discipline.

MEMORANDUM OF UNDERSTANDING
EMERGENCY SERVICES CALL OUTS/DISCIPLINE
(Continued)

Employees who have provided an acceptable notice of unavailability, as determined by the Employer, or who are on an approved vacation or other approved leave, are not expected to respond to an emergency call-out. Employees who are unavailable for emergency call-outs due to injury or illness are expected to call in and explain their unavailability and may be required to provide medical evidence to justify their unavailability.
